REMEMBERING TWO LONG TIME RESIDENTS

Ken Buffum Sr.

11/13/1934 - 02/08/2004

As Road Agent Kenny kept us driving
safely for several years.

Madeline Robinson

01/21/1921 - 02/08/2004

Madeline was a two term School board
member and helped organize the
Monadnock Regional School District.

Their service to the Town is an inspiration to all.

***Pay These Amounts to School(s)**

The cost of an adequate education is determined by the Department of Education based on weighted average daily membership in residence in each school district. Each school district's percentage of total is then calculated. Each percentage is then multiplied by the Town's share of the state education tax amount to allocate a portion of the state education taxes to each school district.

The difference between the adequate education for each school district and each school district's share of the state education taxes becomes the adequate education grant for each school district.

TOWN AUDITOR'S REPORT

Selectman, Town of Roxbury
Roxbury NH 03431

This is to certify that I have examined the books for the Town of Roxbury for the year ending December 31, 2003

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Selectman and Trustees of Trust Funds. I find that the books and records of the Town reflect its true financial condition, to the best of my knowledge and belief.

I would like to thank all of the town officials, who have worked very hard all year long. This audit took the efforts of all of us to bring about a satisfactory result. It is very encouraging to work with a group of dedicated and caring people of Roxbury.

This will be my last year serving as the town auditor. I've asked Mrs. Alice Funk to run for the office. Please support her.

Respectfully submitted,
Karen Cota

Report of the Roxbury Road Agent

Last year we spent **\$29,396** on summer maintenance. Other than the routine tasks like cleaning out the leaves from the ditches and cutting brush and dead trees, a large portion of the summer budget was spent on sealing the Davis Road. Two other major projects were, extensive repairs to the Woodward Pond Road and many loads of gravel were used on Middletown Road.

Many thanks are due to Bill Coutts and his crew for keeping the roads safe during the winter months.

Summer	\$29,396.58
Winter	<u>\$25,706.95</u>
	\$55,105.53

In spite of increased costs due to a difficult winter all work was accomplished without using any money from the **Roads Capital Reserve Fund**.

**Town of Roxbury
Report of the School Board Representative**

**Monadnock Regional School District
Fiscal year 2003 – 2004**

Greetings, from my desk to yours. It has been an exciting past few months. It is very interesting to be able to work with the administration, school board members and budget committee members to try and bring about the best education we can with the amount of money we are allowed. The school board strives to provide the best education for our children. This isn't an easy thing to do. I believe that we can always do better and personally strive for finding that tender balance between providing a quality education for our children and also keeping the taxpayers ability to pay in mind.

We as a town received a significant hit this year with our taxes. The 50/50 formula change brought Roxbury's school rate to a more equal range within the district. In 2002 our school rate was \$9.24, in 2003 our new rate was \$15.44. Even with this jump we are still the lowest rate in the district. Before the 50/50 change the rate was from \$9.24 though \$21.23 district wide. After the 50/50 change the spread in 2003 of \$15.44 through \$21.22. Since there have been few complaints, I would have to believe that the residents of Roxbury understand this change. We don't necessarily have to like it but I think the progressive thinking in the town and the value of education Roxbury has stood for, seems to have prevailed.

The following is a brief summary of the warrant articles you will be voting on.

Article one, Budget:

I'm sure you are all informed about the recent budget situation in the school district. The end result will be for you to decide on a budget of either \$28,569,946.00, which is the school boards amount, or the default amount, which is \$28,212,880.00.

Article 2, receiving \$385,000.00:

When we do capital improvements in the schools we get reimbursed by the state. This is money received back from the state for projects at Emerson and Gilsum schools.

Article 3 and 7, Trust funds:

Three, allows us to put \$50,000.00 into the Special Education Expendable Trust Fund. This can pay for unexpected cost of special education that might come up during the year. Seven, allows us to put \$25,000.00 into an Architects and Consultants Fund. This will allow us the ability to collect data relating to buildings and programs in the district schools. Both of these funds will only be funded if there is a surplus in the budget. These article **don't** raise our taxes.

Article 4, \$260,000.00 Repairs:

These are dollars for regular repairs and deferred maintenance projects in the schools. The biggest repair will be fixing the bathrooms at the JR/SR High School.

Article 5, \$80,000.00 Asbestos Removal:

Asbestos is a big problem in our schools. This article will let us start removing asbestos in five classrooms in Cutler and five classrooms at the JR/SR High School.

Article 6 \$340,000.00 Capital Improvements:

Most important thing to remember here is that the money is **IN THE BANK!** Specifically this is money in our Capital Reserves account that can be used for Capital Improvements. We are going to expand the cafeteria at the JR/SR High School to help with the over crowding at lunch times. By expanding the cafeteria we will also be taking over the teachers room and therefore need to expand their room also. This article does **not** raise taxes.

Article 8, 9 & 10 are all brought by petition, therefore the school board doesn't have an opinion on them.

This is a very short version of the articles. The SAU sent out a Monadnock School District Bulletin that explains these articles in more depth. If you have any other question or comments please call me. I believe that we share a responsibility for the education of our children. New ideas are always welcome.

The Roxbury Scholarship Fund was established in 1994 for the purpose of acknowledging Roxbury’s graduating students. The fund’s long term goal is to establish a permanent reserve scholarship fund. The continuations of these goals are dependent upon \$10.00 per person membership dues and additional donations to become an outstanding member supporter.

This year it was projected we would have six (6) graduates for the class of 2004 at MRHS and now it appears we will have four (4) graduates. Josh Hicks agreed to share the committee duties by becoming the co-treasurer. Anyone wishing to join the committee, participate in any way, attend, and/or make the presentation, please contact a committee member.

REPORT OF THE FIRE CHIEF

The year 2003 was another quiet year for fires in town. I have done some home inspections throughout the town.

I have been continuing the 911 project. I have met several times with representative from the 911 program and we have been working on the mapping of the town roads, trails and also making sure that all homes in the town are properly numbered. We hope to complete this process very soon. Upon completion of this project the town will receive a copy of the map showing all up-grades.

Deputy Warden Timothy Mason and myself have been attending trainings throughout the year to help keep us up-dated on the changes in regulations and proper procedures for firefighting.

The Town of Roxbury Fire Department hosted a live burn training at Granite Gorge Ski Area. The Towns of Marlborough, Sullivan and Surry also participated. Our First Aid/Rehab Center was manned by several volunteer EMT's from the participating towns. The Red Cross of Keene provided lunch for all who participated. I would like to take this opportunity to thank the Baybutt family for allowing us to train on their site.

We also hosted the annual Forest Fire Warden/Deputy Warden training at Granite Gorge for 2003. The topic of training for the day was water handling and portable pumps.

I would like to thank everyone for working hard to keep our town fire safe.

A REMINDER: All outside fires require a fire permit when there is not complete snow cover.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding area) is completely covered with snow. Violations of the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, in addition to the cost of suppressing the fire.

A new law effective January 1, 2003 prohibits residential trash burning. Contact the New Hampshire Department of Environmental Services at (800) 498-6868 or www.des.state.nh.us for more information

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and making sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at www.nhdf.org or 271-2217 for wildland fire safety information.

ROXBURY POLICE DEPARTMENT

TOWN REPORT FOR 2004

The Roxbury Police Department had a very exciting year. Normal patrolling was done off and on, as problems arose, but due to several grants, special patrols took place from the end of July to the first of October. During this special patrol, emphasis was given to Babbage Dam, Otter Brook Dam, Woodward Pond Dam, Class six roads and Branch Road. It takes a lot of planning to give the best police coverage from the budget that is past at town meeting and the extra grant funds come in handy for needed patrols. Investigation time, court time and administration time were up slightly and normal patrol time was about average, compared to last year. Automotive complaints and civil complaints seem to be on the increase. Again I would request that if you see something suspicious to report it right away, as it may help us with something we are already working on. We are not on patrol on a full time basis, so it's hard to know if there is a problem in your area, unless you report it.

ROXBURY POLICE OFFICERS

Chief Gary LaFreniere: serving since 2001

Sergeant Roger Turcotte: serving since 1995

Corporal Steve LaMears: serving since 2003

The Roxbury Police Officers work different shifts, which allow more coverage day and night to handle calls. To contact an officer: **call 911 for emergencies or 355-2000 for non-emergencies**. By calling these numbers you will connect to the dispatch center, which has capabilities of paging the officers, as well as, calling them on the phone or radio.

ROXBURY HIGHWAY SAFETY COMMITTEE

I would like to take this time to thank the members of the Roxbury Highway Safety Committee for their assistance and support during the Middletown Road Traffic Investigation Survey. The number of complaints that came into the police department during the past years showed the need for a traffic survey on the Middletown Road. This led to the recommendation that the speed limit be lowered to 20 MPH from the S-curves to the Branch Road intersection, which would include the playground area. This is a legally posted speed zone, according to RSA 265:63 (Alteration of Limits)

Highway Safety Committee Members:

CRUSIER

For those of you that have not heard, we have a new cruiser, a 1999 ford explorer. This vehicle was received by the generous donation from David ford of Keene. This vehicle cost \$27,500. Half the cost was donated by David ford, \$5000 was in capital reserve. The town appropriated about \$4000. This vehicle now is in full service, but is still being set up for proper police patrols. A new state digital 2 way radio was installed, by a grant from the state (no cost to town). A cage between the front and rear seat was installed for officer's safety and another one for the rear seat is now installed. The old blue lights and siren were both replaced this past year. Due to the increased activity with the cruiser, annual maintenance is on the rise. Once again this vehicle is a much needed vehicle, as it has 4 wheel drive and allows us to answer complaints in bad weather, especially to those residences that have burglar alarms in summer homes where the driveways are not plowed. As well as accidents on the hilly areas of town.

EQUIPMENT

Listed is new equipment that was purchased or placed in service for the Police department during the past year.

- (1) 2-Ditigal Portable Radios (granted expenses)
- (2) Accessories and ammo for the police weapons
- (3) Class B uniform polo shirts for summer patrol & calls
- (4) Police Fax
- (5) Police Computer
- (6) Police Copier
- (7) Portable Breathalyzer
- (8) Chemical Mask & Suits
- (9) PBT

GRANTS

The selectman for the Town of Roxbury have asked if there were additional police grants available to the town, that the police could apply for. After much research and support from the selectman and other town officials we were able to receive some grant money, which is used for extra items, not to supplement the existing budget, and provide extra support to the town.

- (1) Fish & Game patrol grant: \$3,320.00
- (2) EMPG grant: \$4,072.00
- (3) Radar grant: \$144.00
- (4) Chemical Suit/Mask & Supply grant: \$4,657.16

CLOSING

I would like to take a minute and provide you with a little insight about the new equipment and direction of the police department. As all of you are aware, the United States of America has encountered one the worst tragedies in its history. The terrorist attacks on the innocent people of this great country cannot be tolerated and law enforcement is on the front line of defense on the local level. A great deal of changes will occur during the next few years, for all of us, which will directly affect the police. We will do our best to keep up with the changes and the towns needs, so please bare with us because your assistance and cooperation will be appreciated and needed. Due to this these actions the Roxbury Police will be attempting to apply for appropriate grants to assist us in providing extra protection to the town.

One of the big changes to the local towns is the dispatch center. The sheriff's department will be taking over the local police dispatch, which means that all of the town's existing mobile and portable radios may be extinct. The new radio system will be a digital radio communication system, which means; only digital radios will operate on the system. In the near future new portable radios will have to be obtained, to insure officer safety and increase police communication efficiency. The police dispatch telephone number has also changed.

NEW POLICE DISPATCH NUMBER:

355-2000

I would again like to thank all the towns' people for their continuing support of the Police Department. The Department is in good standing and is in compliance with all state standards of the State of New Hampshire at this time.

PISTOL PERMITS

Pistol permits applications may be picked up at the Roxbury police department or the selectmen's office on Monday nights from 7 to 9 PM. The cost of the permit is \$10.00 for (4) Four years. Please allow 14 days for processing.

Chief Gary LaFreniere

2003 TOWN OF ROXBURY PLANNING BOARD REPORT

In January, under section IX of the Roxbury Site Plan Review regulations, the Planning Board granted a temporary waiver of Site Plan Review to Granite Gorge LLC for operation and snowmaking at the old Pinnacle Mountain Ski Area for the 2003 winter season. Granite Gorge submitted its completed Site Plan Application on August 6th, and after a public hearing on August 27th, the board unanimously approved the Application at its regular meeting September 3rd.

In other business the Board has been doing research on updating the Roxbury Zoning Ordinance, including modifying the Steep Slope clause and incorporating a Phased Development clause, to be ready for Town vote at the 2005 Town Meeting.

The Planning Board meets on the first Wednesday of each month at 7:00pm in the Town Hall.

The Roxbury Cemeteries

The Roxbury burying ground, originally part of the Breed Batcheller farm, was used for burials as early as 1798, as indicated by various head stones. On the incorporation of Roxbury in 1813, Ruth Batcheller sold the plat to the town as "being the land which contains the old burying ground." -from Historical Notes (Samuel Wadsworth)

*William Parker and the NH Revolutionary War Regiment information:
Samuel Wadsworth and "New Hampshire" An American Guide Series, 1938*

Jay Blanchard from The Keene Monument Company paid a visit to our cemetery to assess the restoration needed. He has passed along suggestions of what can be done to repair or rebuild the stone monuments in our cemetery. Many stones need to be straightened and several, unfortunately, cannot be repaired and should be replaced with a raised marker. He suggests our restoration projects begin with the straightening. He also remarked on the fact ours is the oldest burial ground in the area and contains valuable history. He is, of course, correct. Being a Cemetery Trustee was not part of my grand scheme of things...howsoever, now that I am a Trustee (thank you, Marika!) and have had time to research our cemeteries, I have begun to understand the necessity of preserving the grounds as best we can. Steven Yardley continues to be in charge of the maintenance of the cemetery grounds and we thank him for his on-going efforts. Steve, by the way, never refuses volunteer assistance. In May and June, spring clean-up and maintenance efforts will begin anew.

It appears to be common knowledge that any current resident of Roxbury has the option of being buried in our cemetery. I tried to find "where this is written" in past Town Reports but was unsuccessful. This is an issue that ought to be addressed.....because some well-deserved "exceptions" have been made and, at a time of a death, no one wants is to cause hurt or hard feelings among Roxbury families. We do not seem to have any written Rule of Residency regarding long time residents or their families who have moved away nor do we have any Regulations concerning burials at our cemeteries. And while this is not a pressing concern at the moment.....it could easily become one. Most local cemeteries have regulations concerning locations, decorations and maintenance of gravesites. At some point, because our town is growing, and because the State laws concerning cemeteries are becoming more sophisticated, we ought to consider getting some of the "basics" down on paper. (Presently, decisions are left to the discretion of the Selectmen.)

The Cemetery Trust funds continue to be invested with the Bank of New Hampshire and MBIA - the NH Public Investment Pool. The combined Kingsbury, Davis (2), Nye, Clark, Eveleth, Philips and Roxbury Cemetery funds, now in individual CD's with the Bank of NH, earned a combined interest total of \$ 8.84 from January to December, 2003. The Cemetery trust earned a total of \$19.55 during 2003 and the Pyne Trust earned \$97.15 for the year. (Please refer to the following Report of Reserve Funds.) There are four Capital Reserve Funds with MBIA: Roads, Re-Value, Fire, ATV and a General Fund. These accounts earned \$69.66, \$16.15, \$17.19 and .03 respectively, for a total of \$103.38 for the year. The Town also holds funds in the Bank of NH "Pool Plus" for a Police cruiser, the Fire Dept. ATV, 18 Roads, Re-evaluation and a town tax map. (Please refer to the following Report of Reserve Funds.)

The appropriate forms, as required by the State of NH, were reviewed by our Town Auditor, Karen Cota and mailed to the Attorney General's Office by the March 1st deadline.

Article 9: To see if the Town will vote to raise and appropriate the sum of **\$29,850.82** for **highway construction and reconstruction.** Selectmen's comment: These funds for expenditure are designated to the Town through the Highway Block Grant Fund. The appropriation does not affect the Town's tax rate, but to be properly expended a vote is required. Motion carried.

Article 10: To see if the Town will vote to raise and appropriate the sum of **\$12,434.00** be paid for **Solid Waste Disposal and Recycling Center privileges** in the town of Marlborough and **Hazardous Waste Disposal** in Keene. Motion carried.

Article 11: To see if the Town will vote to raise and appropriate the sum of **\$500.00** for **Town Welfare and emergency assistance to the Town Poor.** Motion carried

Article 12: To see if the Town will vote to raise and appropriate the sum of **\$1,150.00** to support **Southwestern Community Services, Home Health Care and Community Services, The Community Kitchen INC. and Monadnock Family Mental Health Services.** Motion carried.

Article 13: To see if the Town will vote to raise and appropriate the sum of **\$200.00** to support the **Camp Holiday Scholarship Fund.** The money appropriated by the Town of Roxbury will be awarded to children from Roxbury who attend this camp. Motion carried.

At this point the Moderator announced that copies of last year's minutes were available to be read and approved. These minutes were approved as the minutes included in the Town Report contained pages (taken off the computer and not from the Town Clerk) of prior years. Also the Moderator announced that the last page of the Police Chief's report had been inadvertently omitted but was available for insertion.

Article 14: To see if the Town will vote to adopt the provisions of **RSA 466:30-a** which makes it unlawful for any dog to run at large, except when accompanied by the owner or custodian and when used for hunting, herding , supervised competition and exhibition or training for such. Passed by paper ballot vote: 27 Yes, 11 no.

Article 15: To see if the Town will vote to raise and appropriate the sum of **\$800.00** for the upkeep of **Cemeteries.** Motion carried

Article 16: To see if the Town will vote to authorize the Selectmen to **borrow money** in anticipation of taxes and will vote to raise the sum of **\$2,000.00** for interest expense. Motion carried

Article 17: To see if the Town will vote to raise and appropriate the sum of **\$100.00** for the **contingency fund**. Motion carried

Article 18: To see if the town will vote to raise and appropriate the sum of **\$500.00** to pay our Annual Dues to the **New Hampshire Municipal Association**. At the 1996, March 12 Town Meeting, the town voted to join the Municipal Association. Motion carried

Article 19: To see if the Town will vote to raise and appropriate the sum of **\$500.00** as the Town's planning expenses and its share of expenses for the operation of the **Southwestern New Hampshire Planning Commission**. These funds may be used for financing the staff, operation expenses, planning, studies, technical assistance and other programs of the commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes, and to defray other charges from this agency. Motion carried

Article 20: To see if the Town will vote to raise and appropriate the sum of **\$5,000.00** to be added to the **Road Capitol Reserve Fund** previously established. Motion carried

Article 22: To see if the Town will vote to raise and appropriate the sum of **\$3,000.00** for the **building improvements** to the Town's Meeting Hall, Offices and other Town Buildings. Motion carried Selectmen's comment: The ceiling of the Town Hall needs attention.

Article 23: To see if the Town will vote to raise and appropriate the sum of **\$5,000.00** to be added to the **Capital Reserve Fund** for future **reevaluation** as previously established. Motion carried Selectmen's comment: By 2004 the Town has to certified by the State Assessing Board. At which time we may need a reevaluation.

Article 24: To see if the Town will vote to raise and appropriate the sum of **\$2,000.00** to establish a **Capitol Reserve Fund for a new Tax Map** and to continue to designate the Selectmen as agents of this fund. Motion carried

Article 25: Shall the Town vote to accept the provisions of **RSA 31:95-b** providing that until specific rescission of such authority, the selectmen may apply, accept and expend without further action by the Town meeting, unanticipated funds from State, Federal, or other sources which become available during the fiscal year? This authorization will remain in effect until rescinded by a vote of the municipal meeting. Motion carried

Article 26: To see if the Town supports the concept that everyone, including the self-employed, unemployed, un- and underinsured, has access to an affordable basic health plan similar to what federal employees receive and that everyone, including employers, consumers, and

the state, local and federal government makes a responsible and fair contribution to finance the health care system. This is a petitioned article and is supported by the Selectmen. Passed over.

Article 27: To transact any other business which may come before the said meeting.

A motion was made and seconded to see if the Town will vote to advise the police and the dog warden to act on animal concerns only if there is an official complaint. Motion carried.

A motion was made and seconded to see if the Town will vote to eliminate from future Town reports the page listing delinquent taxpayers. Motion carried.

Meeting adjourned at 10:15 p.m.

Townpeople again enjoyed a delicious potluck supper before the meeting.

Respectfully submitted,
